

• PREPARED FOR MAVERICK ELECTRIC

WHERE AI PAYS OFF IN YOUR BUSINESS

Maverick Electric shows \$400K rough modeled revenue, no review count verified in the export, and no website. The first win is a credible site plus phone capture so search traffic has somewhere to convert.

Maverick Electric is a electrician serving Downtown Austin. The demo site positions the business around calls, trust proof, and simple customer intake.

01 WHAT WE NOTICED

- + The lead export classified the current web presence as no website.
- + The export did not include enough review volume to support a strong reputation claim.
- + The rough revenue model puts the business near \$400K, with low confidence and a wide band.
